

PRO Handlebar Tape Range

SPORT

PRO Peaked

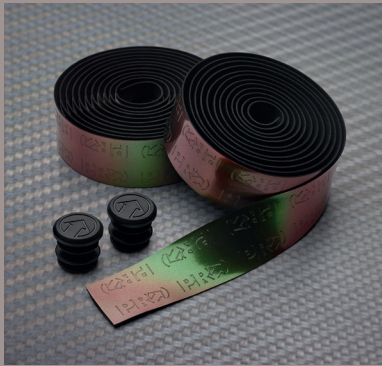

The PRO Peaked bar tapes are designed for climbers who favor a lightweight bike build. These handlebar tapes also feature enhanced sweat-wicking to match the efforts required to conquer cols and mountain passes.

PRTA0100			EVA, cork for unique finish, gel backing tape, recycled endcaps.
PRTA0101			Length: 2000mm Thickness: 2,5mm Weight: 30g
PRTA0095			3D embossed EVA, recycled EVA, smart gel backing tape, recycled endcaps.
PRTA0096			Length: 2000mm Thickness: 2,5mm Weight: 40g
PRTA0097			
PRTA0098			
PRTA0099			
PRTA0090			3D embossed PU, recycled EVA, smart gel backing tape, lightweight alloy endcaps.
PRTA0091			Length: 2000mm Thickness: 2,5mm Weight: 45g

PERFORMANCE

PRO Pursuit

The PRO Pursuit handlebar tapes provide superior grip and are best utilized by sprinters and riders seeking to push their bike to the very limits, surfing wheels in the group or cornering with complete control. The PRO Aero Alloy End Cap completes the perfect aerodynamic cockpit with a finishing flair.

PRTA0115			Embossed EVA, recycled EVA, gel backing tape, recycled endcaps.
PRTA0116			Length: 2000mm Thickness: 3mm Weight: 35g
PRTA0110			Embossed PU, recycled EVA, smart gel backing tape, recycled endcaps.
PRTA0112			Length: 2000mm Thickness: 3mm Weight: 45g
PRTA0113			
PRTA0105			3D embossed PU, recycled EVA, smart gel backing tape, alloy aero endcaps.
PRTA0106			Length: 2000mm Thickness: 3mm Weight: 50g
PRTA0107			
PRTA0108			

PRO Pioneer

The PRO Pioneer tapes are ideal for gravel racers and endurance riders, for whom enhanced comfort is the priority. Expanded tape width and a longer roll combine with the thicker padding to provide comfort even on the roughest of gravel roads.

PRTA0127			Embossed EVA, recycled EVA, gel backing tape, recycled endcaps.
PRTA0128			Length: 2100mm Thickness: 3,5mm Weight: 45g
PRTA0129			
PRTA0125			3D embossed EVA, recycled EVA, smart gel backing tape, recycled endcaps.
PRTA0126			Length: 2100 MM Thickness: 3,5mm Weight: 45g
PRTA0120			3D embossed PU, recycled EVA, smart gel backing tape, lightweight alloy endcaps.
PRTA0121			Length: 2100mm Thickness: 3,5mm Weight: 45g
PRTA0122
